## INDEPENDENT AUDITOR'S REPORT

Mr. G. Brian Zins, Director  
Montana Medical - Legal Panel  
2021 Eleventh Ave.  
Helena, Montana 59601

We have audited the accompanying statements of assets, liabilities, and surplus arising from cash transactions of the Montana Medical - Legal Panel as of December 31, 1992 and 1991, and the related statements of revenues collected, expenses paid and changes in surplus arising from cash transactions for the years then ended. These financial statements are the responsibility of the Panel's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provides a reasonable basis for our opinion.

As described in Note 1, the Panel's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and surplus of Montana Medical - Legal Panel as of December 31, 1992 and 1991, and its revenue, expenses, and changes in surplus for the years then ended, on a basis of accounting described in Note 1.

### AUDITOR'S REPORT ON COMPLIANCE

Mr. G. Brian Zins, Director  
Montana Medical - Legal Panel  
2021 Eleventh Avenue  
Helena, Montana 59601

We have audited the financial statements of the Montana Medical Legal Panel, for the years ended December 31, 1992 and 1991, and have issued our report thereon dated August 17, 1993.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Compliance with laws and regulations applicable to the Montana Medical Legal Panel is the responsibility of the Montana Medical Legal Panel's management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the Montana Medical Legal Panel's compliance with certain provisions of laws and regulations. We specifically tested the Panel's compliance with funding provision provided in 27-6-206, M.C.A.. Our audit, as provided for in 27-6-207, M.C.A. made a determination of the adequacy, sufficiency, and reasonableness of the annual surcharge or assessment provided for in 27-6-206, M.C.A.. Our determination was that the Panel complied with the provisions of 27-6-206, M.C.A.. However the objective of our audit of the financial statements was not to provide an opinion on overall compliance with such provisions. Accordingly, we do not express such an opinion.

The results of our tests indicate that with respect to the items tested, the Montana Medical Legal Panel complied, in all material respects, with those provisions referred to in paragraph three. With respect to items not tested, nothing came to our attention that caused us to believe that the Montana Medical Legal Panel had not complied, in all material respects, with those provisions.

This report is intended for the information of the legislative audit committee and management. However, this report is a matter of public record and its distribution is not limited.
